

# Private Wealth — Contentious

## OVERVIEW

Robertsons' Private Wealth team offers assistance on a wide range of contentious matters involving the administration of a deceased's estate. Together with our [Litigation and Dispute Resolution](#) team, we advise and act on contentious probate disputes, ranging from:

- Proceedings in relation to disputed Wills and other testamentary documents
- Acting for Administrators in adverse possession claims and life interests in land
- Beddoe applications
- Actions by both family and non-family member for financial provision from the Estate under the Inheritance (Provision for Family and Dependents) Ordinance
- Applications involving the appointment and removal of Administrators under the Probate and Administration Ordinance
- Actions involving the revocation of a Grant of Probate and the removal of Executors
