## 本所的理念 Our Philosophy

羅拔臣律師事務所與眾多客戶一起成長，本所深信能夠致力為客戶提供最貼合其需要的法律服務。

本所的理念是每一位客戶都是獨特的，而至關重要的是明白客戶的業務和要求，使本所能按客戶的需要提供貼切的法律意見和服務。

Robertsons has grown with many of its clients and we firmly believe in working with and developing our legal services to best accommodate our clients' needs.

Our firm's philosophy is that no two clients are the same and that it is vital to understand the clients business and requirements so that our advice and services are best tailored to suit the client's needs.

## 本所的收費 Our Costs

本所主張運用清晰的收費制度，避免客戶因為大額的收費單感到措手不及。對於非訴訟類的服務，本所樂意與客戶協定定額的收費。至於訴訟類的服務，本所會提供多種選擇，比如混合的收費比率，預算以及更頻繁地提供收費單，使客戶能夠定期評估其法律開支。

本所不會抬高價格，每位客戶的案件所需的專業團隊的陣型會因應客戶的需求而非本所的需要而定。

We believe in operating a transparent costs system so that clients will not be surprised by large invoices. For non contentious work we are pleased to discuss fixed fees and for contentious work, we offer options such as blended rates, budgets and more frequent invoicing so that clients can keep regularly appraised of their costs exposure.

We do not charge "mark ups" and the size of any team working on a client matter will depend on the requirements of the client and not those of our firm.

注：上述資訊只是為了讓接收者瞭解本所的服務。本所在同意向任何客人提供任何法律服務之前，必須先與其簽署正式委聘協議。

NOTE: The above information is provided for the benefit of the recipient only to understand the services of Robertsons. Robertsons is required to have a formal signed retainer with any client before it agrees to provide any legal services.
